**"CINEMA IS AN
OPENING TO
THE WORLD
AND WE OPEN
UP THE
WORLD TO
OUR CINEMA"**

Lost in Frenchlotion breaks the language barrier and brings the best of French cinema to the international community in Paris by screening French films with English subtitles at independent cinemas, accompanied by cocktails, entertainment and debates in English with the film crews.

THE STORY

The concept of Lost in Frenchlation was born out of the frustration experienced by Co-Founders Manon and Matt when they couldn't go to the cinema together due to Matt's lack of French language skills...

...They discovered that Paris' large international community of expatriates, international students, and tourists were unable to access French cinema due to the lack of English subtitles...

...Yet French cinema is a significant part of Parisian and French culture, and one of the top reasons that foreigners come to Paris is to experience France's rich and diverse culture...

...Thanks to Lost in Frenchlation, Paris' international community can now enjoy the same French films that the locals are watching in a friendly international environment and in the same beautiful, iconic cinemas.

PARTNER CINEMAS

PUBLIC SCREENINGS

Every week we have a screening at one of four iconic art-house Parisian cinemas. Approximately 200 guests can be accommodated. All of the films that we screen are current French box office films, having been released within the past 3 to 4 weeks. Drinks and snacks are offered before the screening to create a welcoming and friendly environment for the international community and locals.

MOVIE TOURS

You know Paris... You have seen the city a million times in movies!

For more than 120 years, Paris has been the most filmed city in the world and it still is.

Districts like Trocadéro, Montmartre or the Latin Quarter are places where the pleasure of strolling comes with the joy to rediscover the location of our favorite movies.

As a Parisian with a Master's Degree in History of Cinema, Juliette wanted to offer a new way to discover the city. She founded Ciné-Balade 7 years ago and I still enjoy telling the love story between Paris and cinema.

VISIT ANOTHER PARIS

By showing you pictures and film clips on a tablet, Ciné-Balade's walking tours offer you to cross the mirror and to talk about cinema while learning about the history of Paris.

WOMEN OF PARIS WALKING TOUR

THE FIRST PARIS WALKING TOUR DEVOTED ENTIRELY TO WOMEN'S HISTORY AND INFLUENCE.

Starting at the Panthéon in Paris' Latin Quarter, this walk will guide you through the charming streets of the famous Left Bank, passing landmarks such as the Panthéon, the Jardins de Luxembourg and the wonderfully chic Saint-Germain-des-Prés district - unravelling stories of incredible women at every turn.

This tour will reveal the lesser-told side of the city's history; one dominated not by great men but by inspirational women, who persevered within a bastion of patriarchy to make their mark on Paris, and the world.

CLAP FRANÇAIS

— APPRENDRE LE FRANÇAIS AU CINÉMA —

CLAP FRANÇAIS

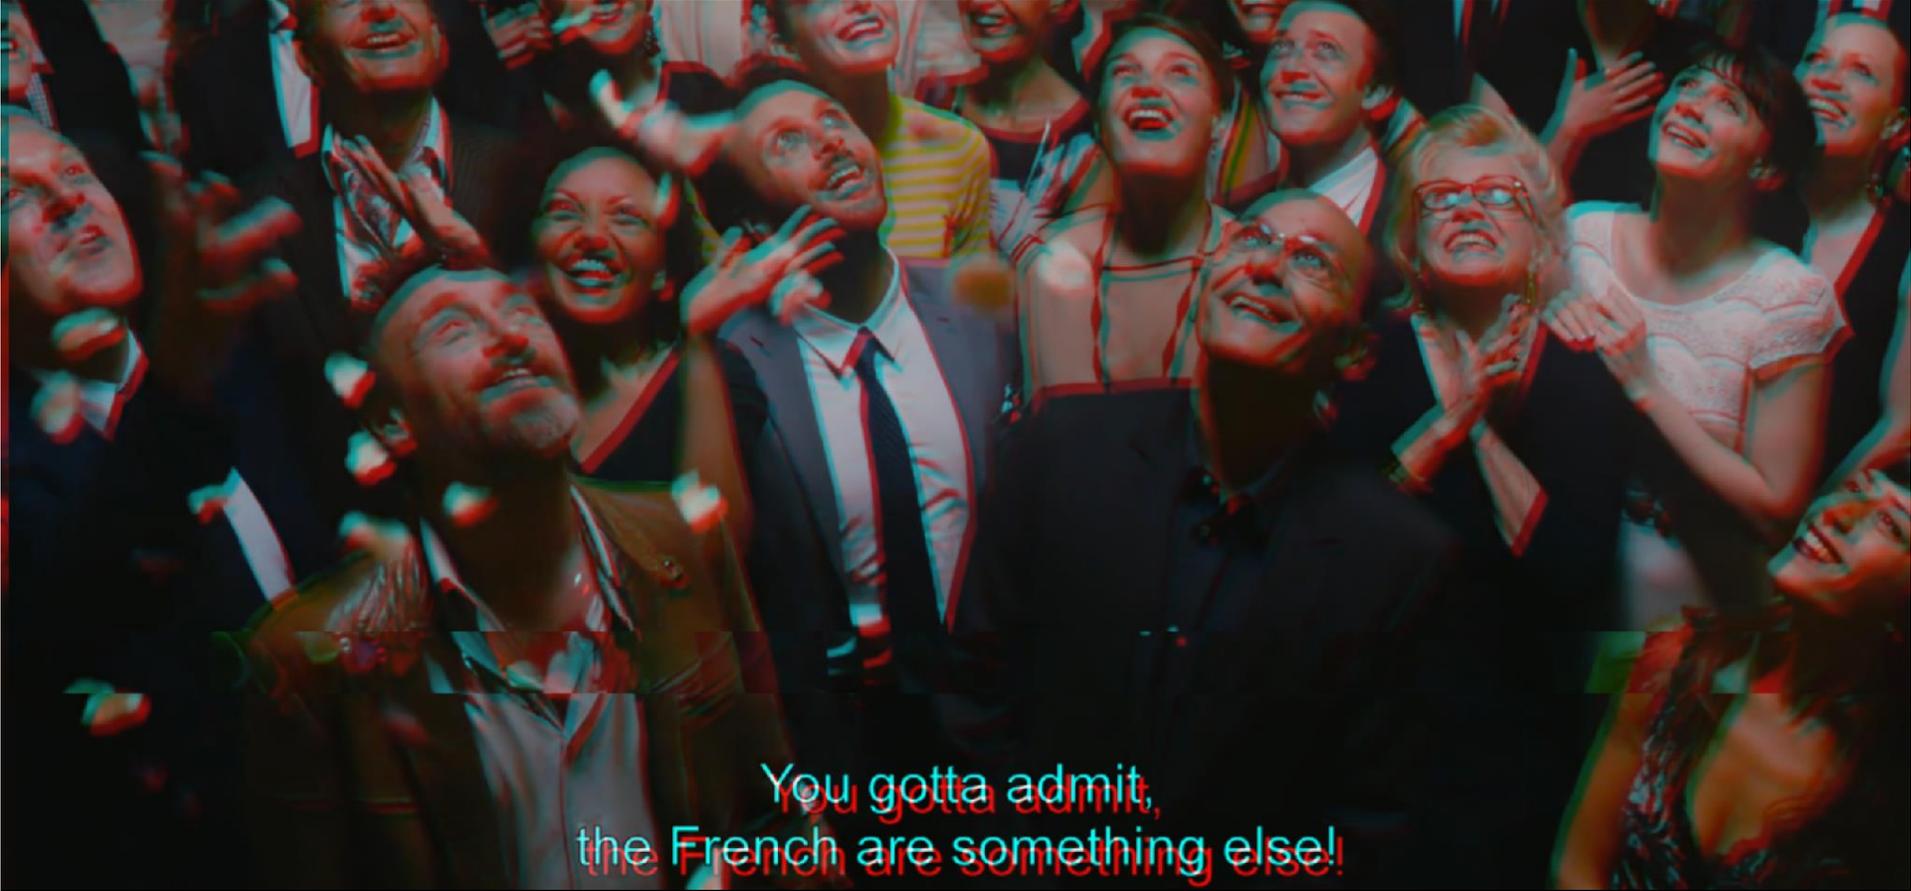

If you love French cinema and are looking for a fun way to brush up on your French, we have teamed up with Clap Français to offer experiences to enjoy with other cinéphiles! The courses are based on Lost in Frenchlation programme and hosted by Marion, an Alliance Française certified language teacher who graduated with a master degree in Cinema.

Q & A SESSIONS

At least once a month, the film that we show is presented by the film crew and followed by a Q&A session with them translated in English.

the French are something else!
